005733	Continue North East on A158
064766	Start Venue – The George Inn, Langworth (Diagram B) (Note: The pub is still open for business so please be courteous to other diners at all times)

Your due time at the noise check is **20.30** + your start number in minutes.

You start time for the event is **00.00** + your start number in minutes.

(Please note: you must have signed on 1 hour before your start time.)

Please remember to bring your vehicle's **MOT Certificate and V5 document**. As the event uses sections on private land, competitors must carry a small spill kit as per J.5.20.13. This will be checked at scrutineering. R.18.6.5.

We take our PR very seriously in Lincolnshire. Having spoken to many residents over the past few years their main concerns and complaints are associated with noise. Therefore, please ensure that your vehicle conforms to the 98db noise limit [0.5 meters]. We will not hesitate at refusing you from starting should you be in excess of the noise limit.

The following are Additions or Amendments to the Supplementary Regulations:

Permits

MSA Permit No: 75281

DOE Authorisation No: TBA

ANCC Championship: TBA

ANEMMC Championship: 18/2013

EMAMC Championship: 37/2013

Officials

Environmental Scrutineer – Remove Mitch Elliot – Add Gary Dixon

Refreshments

Tea/Coffee plus bar drinks will be available from the start venue, however no food will be available after 9pm.

Trailer Parking

Trailer parking is available at the start/finish venue (The George, Langworth, MR: 06407660.) They have a large car park so there is plenty of room. Please enter the car park and keep straight, down off the new tarmac area, on to the large gravel area. Then park trailers neatly towards the back, behind the white concrete markers. The car park is however not secured, so make sure you leave your vehicles as safe as possible.

Damage

A pre event damage check and report will be required. Also there will be a post event official damage inspection and the report to be included in the damage declaration signed by an official.

Per ANCC regulations.

You are also reminded of Section 170 of the Road Traffic Act 1988 and Rule 286 of the Highway Code. Any injury incidents must be reported to the Police Authority.

Spectators

Spectators are not tolerated on this event. No spectator information will be given out and any competitor giving out information will be excluded without hesitation. In previous years some spectators entered private land without permission, this must not happen again.

Controls

There will be **three** types of Time Control used on the event as follows: -

NTC – Neutral Time Control

This will be the end of a Non Competitive Quiet Section (Neutral) and you will not be permitted to make up time without penalty. You may wait inside the control area for your time. There is no time penalty for late arrival, other than being OTL (1 Fail)

STC – Standard Time Control

This is a Competitive Time Control, timed to the minute. You may wait inside the control area for your time and you are able to make up time subject to the $\frac{3}{4}$ rule. The time given will be to the previous whole minute, on presentation of your Time Card.

TTC – Transport Time Control

A Transport Section will be timed to the minute, the time given will be to the previous whole minute and you may wait in the control for your time. You are able to make up time, subject to the ¾ rule, or as specified on the Route Card. No lateness penalty other than OTL or missed control.

In addition there will be:

STS – Special Test Start Control

The start of a special test, competitors should take the next available minute upon arrival.

STF – Special Test Finish Control

The finish of a special test, timed to the second. Competitors will be required to stop astride a line indicated by 2 cones, approx. 20 yards before the finish control. They will then pull forward for the marshal to sign their cards. The clock will stop when the vehicle comes to a halt astride the line. (Astride being defined as between the front and rear axle lines of the vehicle).

If a competitor overshoots the line, the time will be taken when the vehicle comes to a halt and a 10 sec penalty will be applied for failing to stop astride. In the case of an overshoot **do not** reverse back to the line as the clock will have already been stopped.

Marshals Prize Draw

In recognition of the excellent work and commitment shown by our marshals there will be two £25 prize draws to show our appreciation, once again kindly donated by Mike of M.G. Raw Motor Group. The prizes will be drawn by control number and no crew of marshals can win both prizes. The draw will take place during the event with the winning controls / marshals being published on the website and via email shortly after the event.
